What do you get?

You get 12 months access to the GED Academy™ based in the USA which includes full system tuition post GED. Renewal assistance if you need more time to complete your GED. Access the program from a computer, tablet or phone. A valid Namibian ID or passport is essential before booking any exams.

- Log on details will be emailed / Whatsapp or SMS to you. No books are necessary – everything you need to pass the GED exam is provided on the program.
- We supply the full series which can be written anywhere in the world with no deadline for exams.
- An initial practise test for each subject is provided so the program can create a learning plan tailored for you!
- Lessons, teaching videos, exercises, tests and simulated GED® exams in 4 subject groups are provided: All subjects are mandatory: English Reading, Writing, Science, Social Studies and Maths. No Afrikaans is needed.
- A personal electronic tutor will guide you throughout the entire program. Help and technical support available by our highly trained, professional staff on email or telephone.
- Support and advice post GED®, outlining all options available to you to study further or use your GED® to get job promotion.
- Access to our helpful Telegram, Facebook and Whatsapp GED® chat group where you can connect with other students.
