## What do you get?

You get access to the MOBYMAX Academy™ based in the USA which includes full support (if needed)

Access the program from a computer, tablet, or phone

Log on details will be emailed / Whatsapp or SMS to you. No books are necessary – everything you need to pass the grades exams is provided on the program.

- An initial practise test for each subject is provided so the program can create a learning plan tailored for you!
- Lessons, teaching videos, exercises, tests and simulated exams in 4 subjects are provided: All subjects are mandatory: English Reading, Writing, Science, Social Studies and Maths. No Afrikaans is needed.
- A personal electronic tutor will guide you throughout the entire program. Help and technical support available on email, telephone or Whatsapp.
